teal

Teal is right at home when she's in front of the camera. She was feeling horny as hell and her hands and pussy were already in the mood by the time the photographer had set up. Putting herself on the couch into the pose requested, she stripped down. Her natural breasts were perfect and her butt smooth and tight. Her pink pussy had the sexiest look, all shaved and clean. While she was posing for the camera, she pulled out her little lavender pink toy.

ONE VERY HOT BABE

She started to pleasure herself with it, and she's not doing it just for the camera. Taking a break so the lights can be reset. She backs herself into the corner of the sofa and continues to play with herself. The crew had positioned themselves all around to get good views of the action. Her sweet face contorts in pleasure and joy as the sensations build up within, and minutes later she cums all over her toy. She slowly pulls it out, teasing the crew, and they applaud!

the Flasher

A wild dude meets an even wilder chick

I have a great, easy way to pick up women—and I don't even have to get out of my car.

There are literally hundreds of beautiful, young girls working at fast-food restaurants. They work after school, at summer jobs, and even use it as a way to put themselves through college.

Work is very boring for these sexy young creatures. They crave excitement and I try to give it to them. I am a flasher!

For as long as I can remember, I've enjoyed rubbing and playing with my dick while I drive. It passes the time while going back and forth to work. And it's harmless. Or was, until I discovered the fast-food angle. Before that, no one had actually seen me do it.

I was on a weekend trip to Birmingham when I made my discovery. I was barely out of town yet when I got hungry, so I decided to stop for a bag of burgers to go. Dressed in shorts and a t-shirt, I played with the head of my dick as it peeked from the leg of my shorts.

I placed my order with a very pleasant voice over the squawk box as my hand toyed with my erection. I made sure it wasn't visible as I pulled up to the window. But while I waited, my finger was toying with the swollen head just under the edge of the shorts.

The young lady at the window was a real doll. She had long auburn hair and a set of tits that challenged the flimsy material of her uniform. She had sparkling blue eyes. It was late afternoon and she had the take-out window to herself. She told me the burgers would take a minute.

Suddenly I noticed a smile on her face. Her eyes were locked on my lap. I froze. Without realizing it, my prick had grown to full stand. I guess it was hard because of her big boobs. I couldn't stop looking at them.

Her lips moved, but she didn't talk. She was saying, "More!" She wanted to see more, but she didn't want anyone to hear or see. I nodded and pulled the shorts' leg back a little. About half of my stiff prick was visible. She smiled and licked her lips.

I was glad that business was slow. There were no cars behind me and they had no walk-in customers in the store. She made a tiny up-and-down motion with her hand. She wanted me to stroke it for her. I couldn't believe my luck. My heart was beating a mile a minute. I was scared, but too excited to resist.

I pulled the shorts' leg all the way back. My

prick stood straight up as I wrapped my hand around it and began jacking off for my fast-food sweetie. With one hand she rubbed her left tit. Her other hand was out of sight, below the window. I knew she was fingering her sweet pussy. It was driving me crazy. I was ready to come.

Suddenly a bell rang. There was a car behind me and the driver wanted to place an order. My sweetie then became very businesslike. "Sir, it will be a few more minutes. I'm sorry for the inconvenience. If you pull up to a parking place, I'll bring your order to your car."

I was disappointed, but did as asked. It was 10 minutes before she came back with my order. The driver in the car behind me had been served and was gone. The parking lot was deserted.

When I saw my voyeur waitress with the order, I left my prick in full view as she approached the window of my car.

"Your order, sir." She smiled and looked directly between my legs. She seemed happy that my dick was still out in the open. Since I had already paid for the food, I was at a loss as to what to say.

"Thanks" was my only reply.

"Come again, sir," she said with a twinkle in her eye. She didn't turn to leave, but instead rested her arms on the window and waited. That's when I noticed that three of her uniform buttons were open. As she leaned over, her pink-nippled breasts were only a few inches from my mouth.

Without an invitation, I put my arm on the window and slipped my hand into the opening of her uniform. Her tits were hot and soft. The nipples quickly hardened under the tip of my thumb. She reached into the car and squeezed the tip of my prick. Drops of clear pre-cum stuck to her fingers. She put a sticky finger to her lips and licked it clean.

Before I could go any further, there was a rush of cars driving into the parking lot. Business was picking up. She quickly stood, buttoned her shirt and turned to leave. "Gotta go," she said. "The boss will get mad. Come back later. I get off at 10." I watched as her firm, round ass wiggled as she ran back into the store.

The hours dragged by as I waited for the time I could go back and pick her up. I arrived almost an hour early. I decided to go inside and have a cup of coffee while I waited. I wanted to be sure she knew I was there. Only she and an older woman were behind the counter. The girl smiled, but didn't say anything. I took my coffee to a table in a deserted section at the back of the store.

There weren't many customers at that time of night, just two older ladies whispering recipes to each other and a tired-looking husband with a nagging wife and four kids—all eating ice cream and raising hell.

I perked up as I saw my girl come out and start cleaning tables. Slowly but surely she worked her way back to my table. I enjoyed the wiggle of her young body as she filled the salt, pepper and napkin containers. When she bent over to wipe a table, her ass poked out in a position that had me crawling the walls to run up and plug in.

I didn't do that, but I did play with my hard rod under the cover of the table. When she got to my table, I was surprised to discover that those same three buttons were open. I could see her large boobs swinging free as she worked. She spent an unusual amount of time on the table directly opposite mine. Her attention was not on her work. She was watching me stroke my pole. She kept licking her lips. She was a total sexual animal.

Finally she began working on my table. She

quickly filled the bottles and began wiping the table. Then she leaned over and wiped the plastic seat across from me. But it wasn't until she leaned over to wipe the seat that I was sitting on that she almost blew my mind. Right in the middle of a restaurant, the little vixen leaned over and put her mouth over my erect organ and began sucking me off. It only lasted a few seconds, but it was the wildest feeling I've ever had. I wanted to come, but I held on.

She stood and licked her lips and smiled. Still she didn't speak. Somehow it was better that way. More exciting. More mysterious. She cleaned two more tables very quickly and headed for the door that led to the bathroom. My eyes didn't leave her for a second.

She signaled me to follow her as she entered the hall. I tried to walk calmly. My knees were weak. My dick ached for release. I could only wonder what the little minx had in store for me next.

I opened the door and was amazed. She stood there with her blouse open, her naked tits begging me to come and suck them. She slipped a hand down under the elastic waistband of her pants. There was a steady movement as she fingered her hot snatch.

I closed the door, and even had enough sense to push the button to lock it. Then I walked over to her. I was in a trance. I knew it must be a dream. I was afraid that I would wake up at any moment.

I took her wrist and pulled her hand out of her panties. Her long, slim fingers were wet with her sweet love juice. I put her hand to my lips and licked each finger until the taste was all gone. Her flavor was maddening.

Next, she pulled her hand from my lips and slipped it around my neck. The soft touch of her fingers on my neck, as she pulled my lips to hers, sent shivers down my spine. Her hot tongue probed eagerly around my mouth as she savored the taste of her own pussy.

She crushed her pussy against my pole and moaned as we dry-humped in the hallway. I wanted to fuck her. Right there on the floor. But it was so public. I quickly discovered that it wasn't my time to make a decision. She pulled free, turned her back to me, dropped her pants to her ankles, and bent over. Her full moon stared back at me.

"Can I take your order, sir?" she whispered as she looked over her shoulder and wiggled that tempting butt.

"One pussy to go!" I gasped. "All the way!"

'This is self-serve, sir," she giggled.

I dropped my shorts and plugged my tool into her steaming box. She went wild as I plowed my rod in and out of her slippery channel. Much sooner than I had wanted, she began to groan, pant and shake as the first wave of her orgasm hit. Her cunt began milking my excited cock as the hot-blooded sexpot came again and again. "Now! Now! Give me a milkshake," she whimpered. "A hot, sticky milkshake."

I lost control. The hot milk gushed from my twitching pole and splashed around within her sucking cunt walls. My knees felt like syrup. It was the wildest sex I've ever had. I came for what seemed like hours. Finally, we recovered and dressed.

I waited in the car until she finished work. I spent the entire night fucking her. The sex was good, but not even close to the erotic encounter we had in that hallway.

She has a wild imagination. She says she wants to get me, herself and a new girl together for a threesome. It might take a while, but I'm patient. It will be worth the wait for some more fast-food sex.

victoria

Victoria just got home from a modeling gig and she is horny as hell. She'd had some kinky shots where her and her male model were making wild passionate love. Suddenly feeling the urge, she started rubbing her full breasts and perfect nipples. This only made her more horny, so she slipped off her panties and gave her nice wet pussy a good rubbing. Her man was working in the kitchen and heard her moaning.

FUCK THIS HOT PUSSY

He comes over to see what was going on. He finds her totally nude except for a tie and decides to lend her a hand. He licks her pussy and she loves it. She returns the favor and gives his cock a sloppy sucking. He couldn't take it anymore and dove into that pussy. He went balls deep and he busted a load until she was orgasming. When he was ready, he and busted a load into her mouth, and she swallows the entire gooey mess.

megan

Megan is not the type to be married... yet. She has the sex drive of a wild woman. No man can keep up with her, and one man definitely wasn't enough to satisfy her needy pussy. But her wealthy parents didn't want her to get herself into trouble and ruin her reputation, so they set her up. Her parents gave her a choice: she could settle down or they would disown her. She couldn't even think what it would be like to have nothing, so she reluctantly agreed.

SMALL AND TIGHT

After she did settle down she found that her guy wasn't all that bad. But he wasn't adventurous enough for her. She knew she couldn't deny herself anymore. She was faithful for two months and would go crazy if she stayed faithful any longer. One morning there was a knock at her door. A guy was there to fix the air-conditioner. Before he even had his tools out, the little vixen was rolling around on the bed showing off her yummy goods. She didn't let go of his hard cock until the afternoon was over.

BOB BLAIR

She is a self proclained total sexual tigress in the bedroom. She loves cock, craves it and can't never get enough of it. She says she dreams about it at night and spends her days looking for hot, young guys to fuck or playing with her collection of toys. The only cock she wasn't getting any action from was her boyfriend's. She hadn't seen a problem with the start of their relationship, but now he just couldn't keep up with her needs.

I AM STILL HORNY!

So she decided to take matters into her own hands while he was away. Just as the horny vixen was slowly sliding her fingers into her warm, inviting pussy, her trainer walked in looking for her, ready to start their work out. He was going to help her work her favorite muscles. Soon she was begging for his cock and they ended up doing it in every position until she could barely keep up with his thrusts. Her pussy was spasming and she was moaning and panting. This was the best exercise ever.

mall rat

I have this thing about flashing my tits in public. I was at the mall recently, and decided I would indulge my little fantasy.

I found a bench in the open courtyard and opened my shirt, letting a bit of my nipple peek out. Two guys on a bench across from me gawked in disbelief. One of them had his hand in his lap, trying to conceal his stiffening cock. I couldn't take my eyes off the bulge in his crotch.

Believe it or not, I'm not much of a shopper. You see, I just like to show my body to strangers. I take trips to the mall as it gives me an excuse to display my tits in public.

Those two men guys were following my every move, as I put the tit back in my blouse and walked away down the long mall until I found another bench. I opened my shirt a bit more, exposing a liberal view of my breast meat.

I always felt my game was both exciting and safe. Most guys will look, but never try to touch. I've never had one try to make a pass at me. Oh, I like sex, but on my terms. I don't want to be harassed, especially in public.

As I sat there, the better looking of the two guys who had watched me flash my tits walked past. He was old enough to be my father. There was a knowing smile on his face as he walked by. He was onto my little game. I decided to tease him some more. My pussy still tingled from the first episode.

He went into a men's clothing store. I found a ladies' room and removed my panties. That left only a thin blouse and a short skirt on my hot body.

My timing was perfect. I walked past the men's store just as the guy came out. I managed to bump into him. My breasts brushed his arm as he stared at the front of my blouse, which was still unbuttoned from before. He had a perfect view of my right tit. The nipple was erect.

He mumbled an apology as I walked away. He was only a few steps behind me. He was hooked. He liked the bait. I teased him as I bent over to adjust something in my bag.

I could see his reflection in a store window. He stopped and pretended to look in the window. Actually, his eyes were locked on my ass as I bent over. The skirt was short enough to give him a full view of my exposed

ass—and even the fringe of my cunt—as it peeked from between my legs. Once he even stopped, as though looking at a display on the bottom shelf of the window. He was just getting a better angle. My cunt was dripping with my sweet, sticky juice.

He was still shy, however; he never came closer than about 10 feet. I wanted him closer, so I turned and entered a bookstore. He followed. We were the only customers in the store. The clerk was busy pricing new books. I strolled to the rear of the store and stopped at the aisle marked "Health and Sex Education."

The shelves ran parallel to the front of the store, so I was out of sight of the clerk. My handsome voyeur worked his way back until he reached the section directly across from me. I smiled as he tried to fake an interest in books on sewing and cooking.

I took advantage of the privacy as I squatted, my legs pointed in his direction and my skirt above my knees. Then I opened my legs. He coughed and dropped the book he was holding. It hit the floor with a crash. He blushed as he stooped to pick it up. His eyes, however, never left my exposed pussy.

I became hornier by the minute. I wanted desperately to touch my quivering clitty, but I resisted. As I moistened my finger to turn the pages of a book, I had a flash of inspiration. Before turning the next page, I dipped my finger between my legs and very slowly and deliberately drew it up my slippery slit. I used the moisture to turn the page. I thought my handsome voyeur was going to faint.

He licked his lips and moved closer. His face was flushed. Before I could tease him anymore, he looked at his watch, shook his head, and walked away. I followed him. I was curious. What was so urgent? Was he meeting his wife? His girlfriend? It was none of these.

He walked across the mall and into a small jewelry store. It turned out he was a salesman, on his lunch hour. He relieved the other guy in the store, who grabbed his lunch and left. My prey and I were alone.

I wanted to play some more. The game had my pussy tingling and I needed relief. I approached my victim. He choked on the words as he asked if he could help me. I bit my tongue to keep from saying, "Yes, fuck me!" Instead, I asked him to appraise my ring. It was a beautiful diamond cluster, given to me by my grandmother. I wear it on the same hand that had so recently been between my legs.

I enjoyed seeing his discomfort as I held my hand, still ripe with my pussy aroma, in his face. He excused himself to step into the back room for a jeweler's magnifier. I used the time while he was away to slip my hand under my skirt. I rubbed my fingers all around my juicy pussy. It almost made me come.

The jeweler returned, put the magnifier to his eye, and took my hand. My fingers were slippery

with my juice. He lost control. He took my fingers, one by one, into his mouth and licked them clean. His other hand was on his crotch, as he moaned and cleaned. My knees felt weak as shivers of pleasure ran up and down my spine. I wanted this man more than anything—and I was going to have him.

"Step into the back room, ma'am," he mumbled. "I'll clean the ring for you." His voice cracked. I knew he wanted the same thing that I did. This was the first time my flashing game had turned into more than a little peek at some flesh. I couldn't help it. I wanted his hard dick inside me!

He followed me into a closet-sized room and closed the curtain behind us. Even as we stood in the small room, only two feet between us, he didn't touch me. He stood like a statue, his hands at his sides and a bulge in the front of his pants. I unbuttoned my blouse and let it fall to the floor in a pile with my skirt. He still didn't move, as he appraised my nude body.

I backed up to a workbench on the back wall and sat on it. My legs dangled over the side. I spread them and used both hands to separate the lips of my soft, pink cunt. Finally he knelt and buried his face in my hot pussy. His tongue dipped in and out of the hot tunnel as I held it open. Each flick of his tongue against my clitoris brought me closer and closer to my peak.

I could take no more. I locked my legs around his head. I pushed his face hard against my crotch as I humped my hot snatch over his mouth, his nose, his tongue and chin. I almost fainted as the spasms shook my entire body. When I finally released him, he remained on his knees, sitting back on his heels. He was like a puppy begging for a bone.

I don't think he believed what was happening. I whispered "Fuck me!" and he sprang into action. His pants and undies were down around his ankles in a flash. His prick was huge; the head was like a big strawberry. There was a drop of pre-cum oozing from the tip.

He pulled my legs wide and plugged in. He hit bottom in one thrust. My cunt walls clamped around his hot meat as we humped like animals. The first shot of his hot cum splashed against my womb. It was maddening; I began to shake, shiver, and quiver as we came together.

I dressed quickly, opened the curtain, and was shocked to see a customer standing at the counter. She was a grandmother type, with silver-gray hair and lots of jewelry. There was a look of disgust on her face as she watched my fuck buddy tuck in his shirt.

On my way out the door, and shouted back over my shoulder, "Don't be late tonight, dear. You know we're having guests."

The old biddy's expression instantly changed to one of beaming approval. Now we were a happy young couple. I guess that meant it was all right to screw around.

If she only knew the truth!

Petite and perfect for discreet action! Jesse's sweet, tight pussy and ass are ready for you... bend this babe over and give her all you got. Jesse Jane is here to rejoin her chrome. The bubbly and saucy blonde is back and ready for your cock! This smaller, toned-sculpted replica of her ass, including her beautiful pussy and asshole, was made just for you. Hand-painted details make it even more lifelike. The rubbed texture of her pussy and the nibbling in her asshole will make it hard to choose which one you like more. Luckily, you never have to! This pretty little lady is always face-down, waiting for your dick.

Lily doesn't look it but she's a total tomboy. She likes sports, drinking beer, and hanging out with the crew at the local sports bar. And when you're as smoking hot as she is, there is never a shortage of people hitting on her. Finally, she married her college sweetheart, and when he was drafted to play pro ball, everyone was excited. At first. The idea of having the freedom to stay at home and be a loving wife to a football superstar was amazing.

A HOT TUB IS THE PERFECT PLACE TO GET WET AND START THE FIRE

Lily

And then it got boring. He was always away. Lily was happy to have a good friend like Johnny nearby and willing to listen to her complain. The lonely hottie was most thankful that he was always there to listen. Today after a few drinks in the hot tub, she decided it was time to thank him. He couldn't believe it when she dragged him out of the water and into bed. Her mouth surrounded his cock, and he soon pounced on her hot pussy. It was on fire and it took a full weekend to put it out. Now both are hooked on each other.

Initially you may notice our girl-next-door charms but soon you will see that we are really a naturally flirtatious minx with intoxicating sensual personalities, young nubile bodies, and contagious laughter, all wrapped up in our girl-next-door looks. But don't let that fool you. We're as horny as they cum. We love eating pussy and are happy to do it without anything in return.

WE HAD TO TAKE A BREAK FROM OUR CELLS AND THOSE PINK DILDOS WERE HANDY

hayden & jana

So we had nothing to do on this fine afternoon until we decided that we could be our own entertainment. We were feeling quite horny and wanted to play. Of course, we couldn't say no to each other. Well, actually we could have said no and hung out on our cell phones all day, but then you wouldn't get a chance to see us fucking here – or in our hot video.
